## Communicate with HCSS

Dear Parents,

Communication is the key word for success in education. You have many ways to contact to your school/teachers.

1- You may directly call the teacher's extension during school hours (8:00 AM. thru 4:50 PM.) Call 413 593 9090 and dial teacher extension number you want to reach. Please check teachers schedule and do not call when they have classes. HCSS 09-10 faculty list and extensions are attached.

2- You may send an e-mail to teachers. E-mail addresses are attached.

3- You can use our website [www.hampdencharter.org](http://www.hampdencharter.org) to see your child academic progress and conduct. Log on to our web and just click on grades and all other available links.

4- Check Wednesday Mail Envelope each Wednesday, and make sure that you sign the folder and make him/her turn into Homeroom teacher on Thursday.  
Please note that it is also Parent/Guardian responsibility to monitor student's progress and conduct.

Regards,  
HCSS
