

384 SHOEMAKER LANE
AGAWAM, MA 01001

P (413) 789-4789
F (413) 789-2024

August 6, 2009

To all Parents and their children enrolled in the Hampden Charter School of Science (HCSS):

Five Star Transportation is proud to have been awarded a contract to provide Transportation services for HCSS. We will do our best to provide the safest most efficient ride to and from school each and every day. Currently there will be four busses servicing HCSS three of which will be used for Springfield and Ludlow and one will be used for West Springfield. All Chicopee students will continue to ride their normal Chicopee Public School busses.

There are over 200 children that will be transported each day. In order to accomplish this with four busses and a state mandated maximum ride time of one hour, group stops will have to be established. These stops by law can be no further than one mile from a child's residence. At this time all stops are being scheduled to occur at the closest main intersection to one's residence. This should provide for the safest waiting location and shortest ride time possible for everyone.

The routes are currently being developed and will be ready no later than August 14th, 2009. At this point they will then be posted on HCSS's website and any questions or concerns can then be emailed to HCSS@fivestarbus.com for review. Depending upon the number of questions or concerns every attempt will be made to have a response within 24-48 hours.

Thank you and we hope you have a great school year,

Five Star Transportation Management Team

Route 1

<u>Stop #</u>	<u>Time</u>	<u>Address</u>
1	6:54 AM	Longview St & Edgeland St, Springfield
2	6:56 AM	SR-83 & Firglade Ave, Springfield
